

1 for the Jog. 1 for the Job.

Help relieve pain. ALL DAY. EVERY DAY. With multiple pairs of Stabilizing Orthotics

Problem

You have pain with **EVERY step**, you take during the day.

Solution

Orthotics in EVERY pair of shoes help relieve your pain and make every step you take more comfortable.

Ask about all-day pain relief!

Problems in your feet can lead to PAIN in other parts of your body

We are excited to announce the addition of a new diagnostic tool - **the Foot Levelers Kiosk!**

- Measures the **3 Arches** of your feet with laser technology used by NASA
- Shows how the feet may be the source of your pain - including knee, hip, and low back pain.
- Custom orthotics made just for you based off this highly-precise scan
